Intro: D G A

[Primeira Parte]

The sun is up  
 I'm so happy i could scream  
 And there's nowhere else in the world I'd rather be  
 Than here with you  
 It's perfect  
 It's all I ever wanted  
 I almost can't believe that it's for real  
 So pinch me quick  
 I really don't think it gets any better than this  
 Vanilla smile  
 And a gorgeous strawberry kiss!  
 Birds sing we swing

G A D  
 Clouds drift by and everything is like a dream  
 D G A  
 It's everything I wished

Clouds drift by and everything is like a dream  
 It's everything I wished

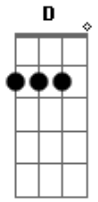

[Refrão]

Bm A  
 Never guessed it got this good  
 D G  
 Wondered if it ever would  
 Bm A  
 Really didn't think it could  
 G  
 Do it again?  
 A  
 I know we should!

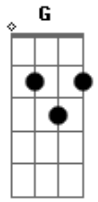

[Pós-Refrão]

End like this  
 G  
 Do it all the time  
 A G  
 I know that we should
