

# The Cure - Pictures of You

Tom: **A**

you but always just breaking apart my pictures of  
you

i've been **A** looking so long at these **D** pictures of  
you

that i almost believe that they're real  
you i've been living so long with my pictures of  
can feel that i almost believe that the pictures are all i  
heart

remembering you standing quiet in the rain  
as i ran to your heart to be near  
close and we kissed as the sky fell in holding you  
breaking

how i always held close in your fear  
remembering you, running soft through the night  
you were bigger and brighter and wider than  
snow

and screamed at the make-believe screamed at the  
sky and you finally found all your courage to let it  
all go

remembering you fallen into my arms, crying for the death  
of your heart  
cold you were stone white so delicate lost in the  
you were always so lost in the dark

remembering you how you used to be  
slow drowned you were angles so much more than  
everything oh hold for the last time then slip away  
quietly open my eyes but i never see anything

**E** **D**  
if only i'd thought of the right words  
**E** **D**  
i could have held onto your heart  
**E** **D**  
if only i'd thought of the right words  
**E** **Bm7** **A**  
i wouldn't be breaking apart all my pictures of

you

looking so long at these pictures of you  
but i never held onto your heart  
looking so long for the words to be true
