Tom: G

Em C D Em
I called you after midnight

C D Em
then ran until my heart burst

C D Em
I passed the howling woman

C D Em
and stood outside your door

C D Em
We walked around a lake

C D Em
and woke up in the rain

C D Em
and everyone turned over

C D Em
troubled in their dreams again

C D Em
Visiting time is over

C D Em
and so we walk away

C D Em
and both play dead then cry out loud

C D Em
why we always cry this way?

C D Em
I kissed you in the water

C D Em
and made your dry lips sing

C D Em
I saw you look

like a japanese baby
C D Em
in an instant I remembered
