

# The Cure - There is no if...

Tom: D

Remember the first time I told you I love you  
 It was raining hard and you never heard  
 You sneezed! And I had to say it over  
 ?I said I love you? I said? you didn't say a word  
 just held your hands to my shining eyes  
 and watched as the rain ran through your fingers  
 held your hands to my shining eyes and smiled as you kissed me

?If you die? you said ?so do I? you said?  
 and it starts the day you make the sign  
 ?Tell me I'm forever yours and you're forever mine??  
 ?If you die? you said ?so do I? you said?  
 And it starts the day you cross that line  
 ?Swear I will always be yours and you'll always be mine  
 You'll always be mine?  
 Always be mine??

Remember the last time I told I love you  
 It was warm and safe in our perfect world  
 You yawned and I had to say it over  
 ?I said I love you? I said? you didn't say a word  
 just held your hands to your shining eyes  
 and I watched as the tear ran through your fingers  
 held your hands to your shining eyes and cried?

?If you die? you said ?so do I? you said ?  
 But it ends the day you see how it is  
 There is no always forever? just this  
 ?If you die? you said ?so do I? you said  
 But it ends the day you understand  
 There is no if? just and  
 There is no if? just and  
 There is no if?
