Chords:

Remember how it used to be, when the sun would fill the sky.  
Remember how we used to feel, those days would ne-ver end.  
Those days would ne-ver end.

Remember how it used to be when the stars would fill the sky  
Remember how we used to dream, those nights would never end  
Those nights would never end

It was the sweetness of your\_\_skin.  
it was the hope of all\_\_we might have been  
that filled me with the hope to wish\_\_  
im - pos-sib-le \_\_ things.\_\_  
To wish im - pos-sib-le \_\_ things.\_\_  
To wish im - pos-sib-le \_\_ things.\_\_

But now the sun shines cold and all the sky is grey  
The stars are dimmed by clouds and tears  
And all I wish is gone away, and all i wish is gone away  
all I wish is gone away
