Chords:

Remember how it used to be, when the sun would fill the sky.
Remember how we used to feel, those days would ne-ver end.
Those days would ne-ver end.

Remember how it used to be when the stars would fill the sky
Remember how we used to dream, those nights would never end
Those nights would never end

It was the sweetness of your__skin.
it was the hope of all__we might have been
that filled me with the hope to wish__
im - pos-sib-le __ things.__
To wish im - pos-sib-le __ things.__
To wish im - pos-sib-le __ things.__

But now the sun shines cold and all the sky is grey
The stars are dimmed by clouds and tears
And all I wish is gone away, and all i wish is gone away
all I wish is gone away
