

The Cure - Wendy Time

Tom: **C**

You l[Dm]ook like you could do with a fr[Em]iend she said
 You l[F]ook like you could use a ha[Am]nd
 Someone to make you smile she said
 Someone who can understand
 Share your trouble, comfort you
 Hold you close and I can do all of these
 I think you need me here with you

You look like you do with a sister she said
 You look like you need a girl to call your own...
 Like fabulous! fabulous! Call me fabulous!
 And rubbing her hands so slow
 You stare at me all strange, she said, are you hungry for

more?

I've had enough I said, please leave me alone, please go

I[G]t doesn't touch me at a[E]ll, i[Dm]t doesn't touch me at
 a[F]ll

You know that you could do with a friend she said

You know that you could use a word

Like feel or follow or fuck she said

And laughing away as she turned

You've everything but no-one like the last man on earth

And when I die, I said, I'll leave you it all

Door closes leaves me cold

It doesn't touch me at all, it doesn't touch me at all

Acordes
