

The Cure - Wendy Time

Tom: C

You l[Dm]ook like you could do with a fr[Em]iend she said
You l[F]ook like you could use a ha[Am]nd
Someone to make you smile she said
Someone who can understand
Share your trouble, comfort you
Hold you close and I can do all of these
I think you need me here with you

You look like you do with a sister she said
You look like you need a girl to call your own...
Like fabulous! fabulous! Call me fabulous!
And rubbing her hands so slow
You stare at me all strange, she said, are you hungry for

more?

I've had enough I said, please leave me alone, please go

I[G]t doesn't touch me at a[E]ll, i[Dm]t doesn't touch me at
a[F]ll

You know that you could do with a friend she said

You know that you could use a word
Like feel or follow or fuck she said
And laughing away as she turned

You've everything but no-one like the last man on earth
And when I die, I said, I'll leave you it all
Door closes leaves me cold

It doesn't touch me at all, it doesn't touch me at all
