

# The Cure - Why Can't I Be You

Tom: **F**

**Dm** **Bb** **G**  
 You're so gorgeous I'll do anything  
 I'll kiss you from your feet to where your head begins  
 You're so perfect, you're so right as rain  
 You make me make me hungry again

**F** **E**  
 Everything you do is irresistible  
**F** **E**  
 Everything you do is simply kissable  
**Dm** **Bb-G**  
 Why can't I be you?

I'll run around in circles 'til I run out of breath  
 I'll eat you all up or I'll just hug you to death  
 You're so wonderful too good to be true

You make me make me hungry for you

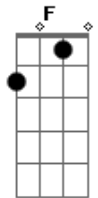

Everything you do is simply delicate  
 Everything you do is quite angelicate  
 Why can't I be you?

You turn my head when you turn around  
 You turn the whole world upside down  
 I'm smitten I'm bitten I'm hooked I'm cooked I'm stuck like  
 glue  
 You make me make me hungry for you

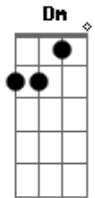

Everything you do is simply dreamy  
 Everything you do is quite delicious  
 Why can't I be you?  
 Why can't I be you?  
 Why can't I be you?

You're simply elegant!!!
