

The Cure - Why Can't I Be You

Tom: F

F
 You're so gorgeous I'll do anything
 I'll kiss you from your feet to where your head begins
 You're so perfect, you're so right as rain
 You make me make me hungry again

F **E**
 Everything you do is irresistible
F **E**
 Everything you do is simply kissable
Dm **Bb-G**
 Why can't I be you?

I'll run around in circles 'til I run out of breath
 I'll eat you all up or I'll just hug you to death
 You're so wonderful too good to be true

You make me make me hungry for you

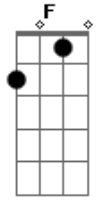

Everything you do is simply delicate
 Everything you do is quite angelicate
 Why can't I be you?

You turn my head when you turn around
 You turn the whole world upside down
 I'm smitten I'm bitten I'm hooked I'm cooked I'm stuck like
 glue
 You make me make me hungry for you

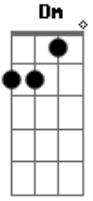

Everything you do is simply dreamy
 Everything you do is quite delicious
 Why can't I be you?
 Why can't I be you?
 Why can't I be you?

You're simply elegant!!!
