<sup>Em</sup>  
You're mumbling words  
<sup>Cm</sup>  
But I can't hear anymore  
<sup>B7</sup>  
You're totally entertained  
  
That I am absolutely bored  
<sup>Em</sup>  
To the sharks with your conversation  
<sup>Cm</sup>  
And see what they say  
<sup>B7</sup>  
As you're thrown overboard  
<sup>Em</sup>  
And disappear into the waves  
  
( C7 B7 Em B7 C B7 )  
  
<sup>Em</sup>  
Down to Neptune's kingdom  
  
And the ink-black drink  
<sup>Cm</sup>  
Octopus bartenders  
<sup>B7</sup>  
You can hear the mermaids sing  
<sup>Em</sup>  
That'll teach you all to try and disobey  
<sup>Cm B7</sup>  
Here's a one-way ticket to your watery grave  
  
And we say  
  
<sup>Em</sup>  
To all our enemies, we'll see you in hell  
<sup>Am</sup>  
We're gonna walk 'em off the plank into the wishing well  
<sup>Em</sup>

Down to Davy Jones' Locker where the fishes sleep  
<sup>Am B7</sup>  
I won't be praying for you so don't be praying for me  
<sup>Em</sup>  
To all our enemies, we'll see you in hell  
<sup>Am B7</sup>  
We're gonna walk 'em off the plank into the wishing well  
<sup>Em</sup>  
Down to Davy Jones' Locker where the fishes sleep  
<sup>Am B7</sup>  
I won't be praying for you so don't be praying  
<sup>A B7 Em</sup>  
Don't be praying for me  
  
( Cm B7 Em )  
( Cm B7 )  
  
<sup>Em Cm</sup>  
Kill all those prisoners until their skin turns green  
<sup>B7 Em</sup>  
Let the salts of the ocean wash them skeleton clean  
  
Raise up those oars and let them fall  
<sup>Cm B7</sup>  
As the wind steadily sings you can hear the crew call  
  
<sup>Em</sup>  
To all our enemies, we'll see you in hell  
<sup>Am B7</sup>  
We're gonna walk 'em off the plank into the wishing well  
<sup>Em</sup>  
Down to Davy Jones' Locker where the fishes sleep  
<sup>Am B7</sup>  
I won't be praying for you so don't be praying for me
