

The Distillers - Gypsy Rose Lee

Tom: D

when i see you lay down
 under the pink laquered skies
 baby ill give you something
 thatll shut your eyes
 to this mess

 when i love you baby
 i mean it more than just the whole world
 and when i take a picture thats instant
 it gets lost tonight it gets burned
 i said i remember it so i saw your eyes
 go through the tunnel and
 i remember
 australian sun i was eight years old
 you were marilyn monroe .. oh gotta

take it oh yeah take it on playing backyard
 blues, stuck up in their jaw
 i can nail ill nail this on
 ohaw she ate the whole world
 break it down!

D - G - Em - A

(continua nessa sequencia de acordes até o final da música)

oh ive tasted i tasted too too many nights
 lost in space i remember kneeling down
 my knees caught in the ground

when i love you baby
 gypsy rose.. she rose to me

i remember a rolling stone
 rolling on down through the bones
 oh ya gotta save you gotta save your soul well
 she hates the whole world

when i love you baby
 i mean it more than just the whole world
 and when i saw gypsy rose gypsy rose she rose to me
 i know your sin i know sin sin sin youve got wings
