

The Do - Despair Hangover And Ecstasy

Tom: D

m **Dm**
 We're breaking promises we thought we could keep
Dm
 We trigger avalanches unknowingly
C
 We travel in and out we take off we land
C
 We live in airports like we don't have a plan
Gm
 This is a journey and we call it home
Gm
 And when it stops we're feeling miserable well

Dm
 We're breaking promises we thought we could keep
Dm
 We trigger hurricanes unwillingly
C
 It's our fault
C
 When it all
Gm
 Breaks into everyone's lives
Gm
 But are we really to blame

Dm
 It's like a pain in the chest
Dm Dm
 Despair Hangover and Ecstasy
C
 So many people around
C
 We disappoint and let down
C Gm
 And though we're trying our best
Gm Gm
 Despair Hangover and Ecstasy
Gm
 Despair Hangover and Ecstasy
