

The Donnies The Amys - Drive You Home

Tom: G

^{Em}
 All of my strength is gone ^G
^C I don't know what you want ^D
^{Em} In a little while, the sun comes low ^G
^C I don't want to be here anymore ^D
^C Right up the road and taking me all morning ^D
^{Em} If I told you now I could almost drive home ^D
^{Em} If I stay a while I could almost not remember ^D

^{Em}
 I was never looking for trouble
^G I was only following the sound
^C I remember when I was someone
^D But it's different now

^{Em}
 I could corner you in the hallway
^G I would always act like I'm in space
^C I was just concerned with the timing falling into place ^D
^{Em} If I hold you now I could almost drive home ^D
^{Em} If I stay a while I could almost not remember ^C ^D

^{Em}
 I was never looking for trouble
^G I was only following you down
^C I remember when we were younger
^D Going round and round
^{Em} Leave a little light on the radar
^G I can never know how far I'll go
^C I am just in love with the feeling of losing control ^D
