

The Doors - Moonlight Drive

Tom: D

G7
 Let's swim to the moon
 Uh huh
 Let's climb thru the tide
 Penetrate the evenin' that the city
 sleeps to hide
 D7
 Let's swim out tonight, love
 It's our turn to try
 G7
 Parked beside the ocean
 On our moonlight drive
 A7
 Let's swim to the moon
 Uh huh
 Let's climb thru the tide
 Surrender to the waiting worlds that
 lap against our side
 E7
 Nothin' left open
 And no time to decide
 A7

We've stepped into a river
 On our moonlight drive
 A7 D A7 D
 Let's swim to the moon
 A7 D A7 D
 Let's climb thru the tide
 A7 D A7
 You reach a hand to hold me
 D A7 D A7 D
 But I can't be your guide
 E7
 Easy to love you as I watch you glide
 A7 D A7
 Falling through wet forests
 D A7 D A7
 On our moonlight drive
 Moonlight drive
 C'mon, baby, gonna take a little ride
 Down, down by the ocean side
 Gonna get real close
 Get real tight
 Baby gonna drown tonight
 Go in' down, down, down
