

# The Doors - My Wild Love

Tom: D

my wild love went ridin'  
 she rode all the day  
 she wrote to the devil  
 and asked him to pay  
 the devil was wiser  
 it's time to repent  
 he asked her to give back  
 the money she spent  
 my wild love went ridin'  
 she rode to the sea  
 she gathered together  
 some shells for her head  
 she rode and she rode on  
 she rode for a while  
 then stopped for an evenin'  
 and lay her head down

she rode on to Christmas  
 she rode to the farm  
 she rode to japan  
 and we entered a town  
 by this time the river  
 had changed one degree  
 she asked the people  
 to let her go free  
 my wild love is crazy  
 she screams like a bird  
 she moans like a cat  
 when she wants to be heard  
 my wild love went ridin'  
 she rode for an hour  
 she rode and she rested  
 and then she rode on  
 ride, c'mon
