

# The Doors - Riders On The Storm Acoustic

Tom: G

Riders On The Storm  
(Chords for acoustic guitar)

OK, it's my try to transport some magic of the original song to one acoustic guitar. It's no real tab, just chords that including melody. It can be variated in many ways. To get right rhythm and melody listen the Second(!) verse of original.

At first, well known chords progression:

Verses: Em Am Em

Chorus: D C

How it plays:

Em

Am

Chorus chords are usual:

D C

Beautiful bunch that sounds at approx time 4.32 - 4.42:

D Em

For the quiet part or Intro you can do something bass-liked (same rhythm as Verse's!):

D.....|

[or run one's fingers over these two strings:]

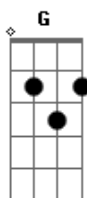

[ D.....| ]

Then with Power:

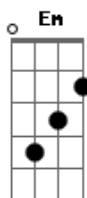

G.....|

aleister, Irkutsk, Russia
