

# The Doors - Soul Kitchen

Tom: A

(INTRO): A D A D A D7 A D

Am D7 A D7 A D7 A D7  
(Repete até o fim do verso)

Well, the clock says it's time to close now  
I guess I'd better go now  
I'd really like to stay here all night  
The cars crawl past all stuffed with eyes  
Street lights share their hollow glow  
Your brain seems bruised with numb surprise  
Still one place to go  
Still one place to go

Em D7 Em D7 Em  
Let me sleep all night in your soul kitchen

D7 Em D7 Em  
Warm my mind near your gentle stove

D7 Em D  
Turn me out and I'll wander baby

E7  
Stumblin' in the neon groves

A D A D  
Well, your fingers weave quick minarets

A D A D  
Speak in secret alphabets

A D A D  
I light another cigarette

Am D A D Am D A D  
Learn to forget, learn to forget

A D A D Am D A D  
Learn to forget, learn to forget

Am D7 A D7 A D7 A D7 (Repete até o fim do verso)

Let me sleep all night in your soul kitchen  
Warm my mind near your gentle stove  
Turn me out and I'll wander baby  
Stumblin' in the neon groves

Am D7 A D7 A D7 A D7 (Repete até o fim do verso)

Well the clock says it's time to close now  
I know I have to go now  
I really want to stay here  
All night, all night, all night
