 Well, aye, aye, aye  
 You're just my type  
 Buy anything you like  
 To keep you by my side  
 And I know  
 I didn't mean to let you down  
 And then I put my head down  
 Probably heard the rest 'cause it was too loud  
 What the hell am I to do now?  
 'Cause I miss the memories  
 You were always good to me  
 And your loving's oh, so sweet  
 You're everything I need  
 Well, aye, aye, aye  
 You're just my type  
 Buy anything you like  
 To keep you by my side And I  
 Just want a chance to try loving you  
 Tell me the ways that I can  
 Say those things that I never do  
 I'll be your number one fan
