

# The Driver Era - My Silver Lining Is Overdue

tom:  
 Capotraste na 3ª casa  
 Intro: C G C G

I?m never in the right place  
 Always at the wrong time  
 But hope is still hopeless  
 Even after goodbye  
 And even though I miss you  
 I tell myself a good lie  
 I play it till it?s broken  
 ?Cause its all mine  
 I was a fool, was a fool, I knew  
 Too close to the edge I stood  
 You can?t hide in the daylight  
 You can?t hide in the daylight  
 My silver lining is overdue  
 I?m starting new  
 And now I?m climbing to better views  
 Where skies are blue  
 My silver lining is overdue  
 I?m starting new

Right now, I?m starting new, right now  
 I?m starting new, right now  
 ( C G C G )  
 And after every hard night  
 There?s another sunrise  
 And if you keep yourself together  
 Then you?ll know is gonna be alright  
 I was a fool, was a fool, I knew  
 Too close to the edge I stood  
 You can?t hide in the daylight  
 You can?t hide in the daylight  
 My silver lining is overdue  
 I?m starting new  
 And now I?m climbing to better views  
 Where skies are blue  
 My silver lining is overdue  
 I?m starting new  
 Right now, I?m starting new, right now  
 I?m starting new, right now
