

## The Driver Era - My Silver Lining Is Overdue

```
tom:
                 Gb (forma dos acordes no tom de Eb )
Capostraste na 3ª casa
Intro: C G C G
I?m never in the right place % \left\{ 1,2,\ldots ,n\right\} =\left\{ 1,2,\ldots ,n\right\}
Always at the wrong time
                 Em
But hope is still hopeless
         Am7 G
Even after goodbye
And even though I miss you
                 C
I tell myself a good lie
I play it till it?s broken
          Am7
?Cause its all mine
I was a fool, was a fool, I knew
Too close to the edge I stood
You can?t hide in the daylight
You can?t hide in the daylight
                   G
My silver lining is overdue
I?m starting new
And now I?m climbing to better views
    D
Where skies are blue
My silver lining is overdue
```

```
Right now, I?m starting new, right now
I?m starting new, right now
( C G C G )
And after every hard night
There?s another sunrise
        Em
And if you keep yourself together
Then you?ll know is gonna be alright
I was a fool, was a fool, I knew
Too close to the edge I stood
You can?t hide in the daylight
 Em
You can?t hide in the daylight
My silver lining is overdue
I?m starting new
And now I?m climbing to better views
Where skies are blue
My silver lining is overdue
I?m starting new
Right now, I?m starting new, right now
I?m starting new, right now
```
