

The Driver Era - Welcome To The End Of Your Life

tom:
 Capotraste na 1ª casa
 Intro: G D G D

I hope she likes my moves
 I hope she likes to dance

Welcome to the end of your life
 Never thought you'd see the white light
 You probably shouldn't run the red light
 I know you hope you said your goodbye ye ye ye ye

Wish you would've never thought twice
 Never got to save a girl's life
 Probably should've learned to play nicer
 Now I wish I would've said bye ye ye ye ye

Now it's just me and a mirror
 Can't tell if I'm really here
 I think I'm leaving this body
 Take me to Heavenly Hills
 With all the roses and pills
 Where you can bury my body

I hope she likes my moves
 I hope she likes to dance

Welcome to the end of your life
 Never thought you'd see the white light
 You probably shouldn't run the red light
 I know you hope you said your goodbye ye ye ye ye

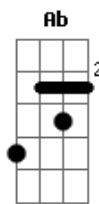

Always on the hunt for more ice
 I bet you only used the both price
 Maybe you'll come back and live twice
 Now I wish I would've said bye ye ye ye ye

Now it's just me and a mirror
 Can't tell if I'm really here
 I think I'm leaving this body
 Take me to Heavenly Hills
 With all the roses and pills
 Where you can bury this body

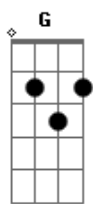

Now it's just me and a mirror
 Can't tell if I'm really here
 I think I'm leaving this body
 Take me to Heavenly Hills
 With all the roses and pills
 Where you can bury this body

I hope she likes my moves
