Tom: G

G
Before I die
Em
I'd like to do something nice
G Em
Take my hand and I'll take you for a ride
G
You hit me yesterday
Em
Because I made you cry
G Em
So before we die let me do something nice
G
I want to buy you something
Em
But I don't have any money, no I don't have any money
G
I want to buy you something
Em

But I don't have any money, no I don't have any money

G
And if I had a car
Em
I would trade in my car
G Em
If I had a gun I would trade in my gun
G Em
Honey we ran from the country when we rushed to the city
G
And now there's nothing to be done
Em
There's nothing to be done (x3)
G
I want to buy you something
Em
But I don't have any money, no I don't have any money
G
I want to buy you something
Em
But I don't have any money, no I don't have any money
