

# Eagles - Get Over It

Tom: **G**  
Intro: (guitar) **D** (all), **D**, **D**, **D**, **D** (pause)

**D**  
I turn on the tube and what do I see  
A whole lotta people cryin' 'Don't blame me'

They point their crooked little fingers at everybody else

Spend all their time feelin' sorry for themselves

**G**  
Victim of this, victim of that

**A**  
Your momma's too thin; your daddy's too fat

**D**  
Get over it

**F**  
Get over it

**G**  
All this whinin' and cryin' and pitchin' a fit

**D**  
Get over it, get over it

**D**, **F**, **G** **D** pause

**D**  
You say you haven't been the same since you had your little crash

But you might feel better if they gave you some cash

The more I think about it, Old Billy was right  
(harmony)

Let's kill all the lawyers-- kill 'em tonight

**G**  
You don't want to work; you want to live like a king

**A**  
But the big, bad world doesn't owe you a thing

**D**  
Get over it

**F**  
Get over it

**G**  
If you don't want to play, then you might as well split

**D**  
Get over it, get over it

**D**, **F**, **G**, **D**.. **D**, **F**, **G**, **D** .. **D**,**D**

**C**  
(drums) **D**  
It's like going to a confession every time I hear you speak

**C**  
You're makin' the most of your losin' streak

**A**  
Some call it sick, but I call it weak **A**

(get over it, page 2 )

**D**  
You drag it around like a ball and chain

You wallow in the guilt; you wallow in the pain

You wave it like a flag, you wear it like a crown

Got your mind in the gutter, bringin' everybody down

**F**  
Bitch about the present and blame it on the past.

**G**  
I'd like to find your inner child and kick its little ass ..  
yeh, yeh, yeh

**D**  
Get over it

**F**  
Get over it

**G**  
All this bitchin' and moanin' and pitchin' a fit

**D**  
Get over it, get over it

**D**  
Get over it

**F**  
Get over it

**G**  
Its gotta stop sometimes, so why don't you quit

**D**  
Get over it, get over it (pause) (come back guitar first,  
all 1/2 later)

**D**, **F**, **G** **D**.. **D**, **F**, **G**, **D** (pause, guitar) ...(all play **A**,  
**G**, **F**, **D**) ...

Drum roll .... get over it (stop)
