Tom: A

(Words gotten from the Guitar Archive)

Somewhere out on that horizon

Out beyond the neon lights

I know there must be something better

D E A E D  
But there's nowhere else in sight. Wo-oh-oh-oh

It's survival in the city, children

When you live from day to day

City streets don't have much pity, no

E A  
When you're down that's where you stay

A D E D E A

IN THE CITY

G D A E

IN THE CITY

Guitar solo

I was born here in the city

With my back against the wall

Nothing grows and life ain't very pretty

No-one's there to catch you when you fall

Somewhere out on that horizon

Far away from the neon sky

I know there must be something, must be something better

And I can't stay another night

Repeat IN The City, then end
