Intro: Gb B Gb B  
 Gb B Db Db

Gb B  
 It's just another day in paradise

Ebm Db  
 As you stumble to your bed

Gb B  
 Give anything to silence

Ebm Db  
 These voices ringing in your head

Ebm B  
 You thought you would find happiness

Ebm B  
 Just over that green hill

Ebm Bbm  
 You thought you would be satisfied

B Db  
 But you never will

Gb B Gb B  
 Learn to be still

(verse 2):  
 Like sheep without a shepherd  
 Don't know how to be alone  
 So we wander 'round this desert  
 Wind up following the wrong gods home

The flock cries out for another  
 They keep answering that bell  
 One more starry eyed messiah  
 Meets a violent farewell  
 Learn to be still  
 Learn to be still

Bridge:  
 Db  
 Now the flowers in your garden  
 B  
 They don't smell so sweet so sweet  
 Db  
 Maybe you'd forgotten  
 Ebm Db  
 The heaven lying at your feet

Gb Gb B B

Verse 3:  
 There's so many contradictions  
 In all these messages we send  
 Keep asking how do I get out of here  
 Where do I fit in

Though the world is torn and shakin'  
 Even if your heart is breakin'  
 It's waiting for you to awaken  
 Someday you will  
 Learn to be still

(Gb B repeated over and over till end of song).

This is how I play Learn To Be Still by the Eagles. There is  
a capo on 2nd fret on all guitars,  
and the tab of the intro and solo reflects this tuning.

define: **Dbm** {x 1 3 1 2 1 4th}

**Abm** {1 3 1 1 1 1 4th}

LEARN TO BE STILL

performed by The Eagles  
written by Don Henley and Stan Lynch

Intro:

The acoustic guitars play the first E-A, then an electric  
comes in and plays E-A, then another  
electric comes in and plays the following intro riff:

Sometimes the electric plays this:

H

Then the verse starts. The progression over the verse is as  
follows:

Verse 1:  
[E] Just another day in pa[A]radise  
[C#m] As you stumble to your be[B]d.  
[E] You'd give anything to silence[A]  
[C#m] Those voices ringin' in your [B]head.

[C#m] You thought you could find happi[A]ness  
[C#m] Just over that green [A]hill.  
[C#m] You thought you would be [G#m]satisfied,  
[A] But you never w[B]ill...learn to be sti[E]ll.

E-A-E-A

Verse 2:  
We are like sheep without a shepherd  
Who don't know how to be alone.  
So we wander 'round this desert  
Wind up following the wrong Gods home.

But the flock cries out for another,  
And we keep answering that bell.  
One more starry-eyed Messiah  
Meets a violent farewell...learn to be still

Bridge:

[B] Now the flowers in your [A]garden  
[B] They don't smell so sweet [A] so sweet  
[B] Maybe you've forgotten [C#m] the Heaven lyin' at your [B]  
feet. Yeah Yeah Yeah.

Then the solo comes in, and it looks something like this. The  
chords over the solo are **E**  
for 2 measures, **A** for 2 measures. This is done twice under  
the solo.

Then back to the verse

Verse 3:  
There are so many contradictions  
In all these messages we send. (we keep askin')  
How do I get outta here?  
Where do I fit in?

And though the world is torn and shakin',  
Even if my heart is breakin',  
It's waiting for you to awaken  
And someday you will...learn to be still.

Outro:

Keep on runnin'  
Just keep on runnin'  
Yeah.

That's about it. I hope I included everything, and I hope  
everyone enjoys playing it.
