

Eagles - Love Will Keep us Alive

Tom: D

Album : Hell Freezes Over

A
I was standing
All alone against the world outside
D
You were searching
E
For a place to hide
A
Lost and lonely
Gbm
Now you given me the will to survive
D E A
When we're hungry... love will keep us alive

Don't you worry
Sometimes you've just gotta let it ride
The world is changing
Right before your eyes
Now I've found you
There's no more emptiness inside
When we're hungry... love will keep us alive

D
I would die for you
Gbm
Climb the highest mountain

Baby, there's nothing I wouldn't do

Now I've found you
There's no more emptiness inside
When we're hungry... love will keep us alive

D
I would die for you
Gbm
Climb the highest mountain

Baby, there's nothing I wouldn't do

I was standing
All alone against the world outside
You were searching
For a place to hide
Lost and lonely
Now you given me the will to survive
When we're hungry... love will keep us alive
When we're hungry... love will keep us alive
When we're hungry... love will keep us alive

- Right, this is probably way off, but don't take my word for it. I didn't tab this with accuracy in mind (it won't make a diff anyhow), just simplicity. Slide Solo, anyone ?

"Love Will Keep Us Alive"
 Eagles: Hell Freezes Over
 Geffen 1994

This is my first tab so please excuse any errors. I did this

by ear
 so a few notes here and there might be extra/switched but
 you'll know when
 you hear it. I threw in some bass notes to make it fuller.
 Since a lot is
 repetitive I just tabbed the important stuff. This particular
 song seems
 to please the ladies and is an easy acoustic piece, so enjoy.
 Solo is included.
 Long live the Eagles!

The main part is:

4/4, pop feel - let notes ring out on acoustic guitar

A Gb

D E

Chorus goes as follows:

D Gb Minor

B

Don Felder's Solo goes as follows (use main chord
 progressions):

(with slide on electric guitar, reverb and chorus (?))
 A Gb D

Tab notation:

- ~~~ Vibrato
- / Slide up
- \ Slide Down
- _ Hammer on/pull off

Have fun with this easy song! Email welcome
