

Eagles - My Man

Tom: F

GUITAR 1 plays chords
GUITAR 2 plays the intro tab, and some more afterwards which I haven't notated

Bb C F
No man's got it made
Till he's far beyond the pain
And we who must remain
Go on living just the same

Verse 3:

I once knew a man, very talented guy
He's sing for the people and people would cry
They knew that his song came from deep down inside
You could hear it in his voice and see it in his eyes

F F7M Bb7 Gm
F C Bb7 Gm

Now, GUITAR 1 plays these chords

Verse 1:

Tell me the truth, how do you feel?
Like you're rollin' so fast that you're spinnin' your wheels?
Don't feel too bad, you're not all alone
We're all tryin' to get along

And so he traveled along, touch your heart, then be gone
Like a flower, he bloomed till that old hickory wind called him home

Verse 2:

With ev'rybody else tryin' to go their way
You're bound to get tripped, and what can you say?
Just go along til they turn out the lights
There's nothin' we can do to fight it

My man's got it made
He's gone far beyond the pain
And we who must remain go on living just the same

Solo over Verse Chords

Repeat Chorus

We who must remain go on laughing just the same
