

Eagles - The Girl From Yesterday

Tom: G
Intro: C Bm7 Am7 G D G D Am7 D7

Verso:
It wasn't really sad the way they said good-bye
Or maybe it just hurt so bad she couldn't cry
Am7 He packed his things, walked out the door and drove away
And she became the girl from yesterday

He took a plane across the sea
To some foreign land
She stayed at home and tried so hard to understand
Am7 How someone who had been so close could be so far away
And she became the girl from yesterday

Refrão:
She doesn't know what's right

She doesn't know what's wrong
She only knows the pain that comes from waiting for so long
And she doesn't count the teardrops
That she's cried while he's away
Bm7 Because she knows deep in her heart
That he'll be back someday

Solo:

Solo: G G7 C Bm7 Am7 G D G E E7
The light's on in the window; she's waiting by the phone
Talking to a memory that's never coming home
Dbm7 Bm7 She dreams of his returnig and the things that he might say
But she'll always be the girl from yesterday
Yeah, she'll always be the girl from yesterday.
