Tom: G

>>Versão acústica

Intro: D D D D

D A  
I got the call today and I didn't want to hear  
G  
But I knew that it would come  
D A  
An old true friend of ours was talking on the phone  
G  
She said you'd found someone  
A A7  
And I thought of all the bad luck and the struggles we went through  
G  
How I lost me, and you lost you  
A A7  
What are all these voices outside love's open door?  
G A  
Make us throw off our contentment and beg for something more

Chorus

D A Bm G  
I'm learning to live without you now, but I miss you sometimes  
D Bm  
The more I know, the less I understand  
G A  
All the things I thought I knew I'm learning again  
D D  
I've been trying to get down to the heart of the matter  
Bm G  
But my will gets weak and my thoughts seem to scatter  
D Bm  
But I think it's about forgiveness, forgiveness  
G A  
Even if, even if you don't love me anymore

D A  
Ah these times are so uncertain, there's a yearning undefined  
G  
People filled with rage  
D A  
G  
We all need a little tenderness How can love survive in such a graceless age?

G  
They're the very things we kill, I guess

A A7 A  
Oh pride and competition cannot fill these empty arms  
G  
A  
And the work I put between us you know it doesn't keep me warm

Chorus

D D Bm G  
I'm learning to live without you now, but I miss you baby  
D Bm  
The more I know, the less I understand  
G A  
All the things I thought I figured out I have to learn again  
D D  
I've been trying to get down to the heart of the matter  
Bm G  
But everything changes and my friends seem to scatter  
D Bm  
But I think it's about forgiveness, forgiveness  
G A D D D D  
Even if, even if you don't love me anymore

Bridge

C G  
There are [C]people in your life who've come and gone  
Am G  
They let you down, you know they hurt your pride  
C G  
You better put it all behind you babe cuz life goes on  
A  
You keep carrying that anger, it'll eat you up inside baby

Chorus

D D  
I've been trying to get down to the heart of the matter  
Bm G  
But my will gets weak and my thoughts seem to scatter  
D Bm  
But I think it's about forgiveness, forgiveness  
G A  
Even if, even if you don't love me  
D D  
I've been trying to get down to the heart of the matter  
Bm G  
Because the flesh will get weak and the ashes will scatter  
D Bm  
But I think it's about forgiveness, forgiveness  
G A  
Even if, even if you don't love me anymore
