 ( = bend)

**C**  
 I used to hurry a lot  
 I used to worry a lot  
**F**  
 I used to stay out till the break of day  
**C**  
 Oh that didn't git it  
 It was high time I quit it  
**F**  
 I just couldn't carry on that way  
**Am**  
 Oh, I did some damage, I know it's true  
**F**  
 Didn't know I was so lonely till I found you  
**C**  
 You can go the distance  
 We'll find out  
**F**  
 In the long run (in the long run)  
**C**  
 We can handle some resistance  
 if our love  
**F**  
 is a strong one(is a strong one)  
**Am**  
 People talkin' about us  
 they got nothin' else to do

**F**  
 When it all comes down  
 we will still come through  
**C**  
 In the long run  
**F**  
 Ooh I want to tell you  
**C G G7**  
 it's a long run  
 You know I don't understand why you don't  
 treat yourself better  
 do the crazy things that you do  
 'Cause all the debutantes in Houston, baby,  
 couldn't hold a candle to you  
 Did you do it for love?  
 Did you do it for money?  
 Did you do it for spite?  
 Did you think you had to, honey?  
 Who is gonna make it?  
 We'll find out in the long run  
 (in the long run)  
 I know we can take it  
 if our love is a strong one  
 (is a strong one)  
 Well, we're scared, but we ain't shakin'  
 Kinda bent, but we ain't breakin'  
 in the long run  
 Ooh, I want to tell you, it's a long run  
 in the long run

---

And so on for the rest of the song.  
 The solo is just the intro again, plus some other stuff.  
 The intro and solo are played with a slide, although it sounds  
 right with some  
 bends and regular slides. The rest of the song is just the  
 same chords.
