 (= bend)

C
 I used to hurry a lot
 I used to worry a lot
F
 I used to stay out till the break of day
C
 Oh that didn't git it
 It was high time I quit it
F
 I just couldn't carry on that way
Am
 Oh, I did some damage, I know it's true
F
 Didn't know I was so lonely till I found you
C
 You can go the distance
 We'll find out
F
 In the long run (in the long run)
C
 We can handle some resistance
 if our love
F
 is a strong one(is a strong one)
Am
 People talkin' about us
 they got nothin' else to do

F
 When it all comes down
 we will still come through
C
 In the long run
F
 Ooh I want to tell you
C G G7
 it's a long run
 You know I don't understand why you don't
 treat yourself better
 do the crazy things that you do
 'Cause all the debutantes in Houston, baby,
 couldn't hold a candle to you
 Did you do it for love?
 Did you do it for money?
 Did you do it for spite?
 Did you think you had to, honey?
 Who is gonna make it?
 We'll find out in the long run
 (in the long run)
 I know we can take it
 if our love is a strong one
 (is a strong one)
 Well, we're scared, but we ain't shakin'
 Kinda bent, but we ain't breakin'
 in the long run
 Ooh, I want to tell you, it's a long run
 in the long run

And so on for the rest of the song.
 The solo is just the intro again, plus some other stuff.
 The intro and solo are played with a slide, although it sounds
 right with some
 bends and regular slides. The rest of the song is just the
 same chords.
