

# Eagles - Try And Love Again

Tom: D  
Intro: D G D G

D  
When you're out there on your own  
Where your memories can find you  
Like a circle goes around  
You were lost until you found out  
What it all comes down to  
G Gbm Em Gbm D  
One by one, the lonely feelings come  
G Gbm Em Gbm D  
Day by day, they slowly fade away  
D  
Ooh, the look was in her eyes  
You never know what might be found there  
She was dancing right in time and the moves she made so fine  
Like the music that surrounds her  
G Gbm Em Gbm D

Should I stay or go? I really want to know  
G Gbm Em Gbm D  
Would I lose or win if I try and love again?

Refrão  
G D  
Oh, I'm gonna try and love again  
G D  
Oh, I'm gonna try and love again  
G D  
Oh, I'm gonna try and love

(solo)  
D  
Right or wrong, what's done is done  
It's only moments that you borrow  
But the thoughts will linger on of the lady and her song  
When the sun comes up tomorrow  
G Gbm Em Gbm D  
Well it might take years to see through all these tears  
G Gbm Em Gbm D  
Don't let go, when you find that you will know  
(Refrão várias vezes até finalizar)
