But I said oh I
I packed this bowl for two
And I
I?m gonna wanna smoke it with you

But I said oh I
I packed this bowl for two
And I
I?m gonna wanna smoke it with you

[Verse]

Yes you know it is time
For us to sit down and unwind
I know the feeling, I know the feeling
So stay with me tonight
Gonna kick back relax
Make sure the ganja?s packed
And we?ll feel all right

[Bridge 1]

We?re flying high now
We?re flying high now
I cannot feel the ground
We?re flying high now
We?re flying high now
My world is spinning round

[Chorus]

But I said oh I
I packed this bowl for two
And I

I?m gonna wanna smoke it with you

But I said oh I
I packed this bowl for two
And I
I?m gonna wanna smoke it with you
[Bridge 2]

So please don?t run away
When my ganja?s all gone
Promise me that you?re gonna stay
When my flight is all done
There?s only one thing left to do
I got this one nug this frosty purple nug
And it?s big enough for two

[Chorus]

But I said oh I
I packed this bowl for two
And I
I?m gonna wanna smoke it with you

But I said oh I
I packed this bowl for two
And I
I?m gonna wanna smoke it with you
