

# The Fallas - I Wanna Let You Know (The Way Of Love)

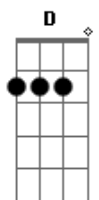

tom:  
 I see that you here  
 And I wanna do things that give me the keys  
 And you are the best one  
 This is my final point of view

You know, I was out of me  
 And the world changes so quickly  
 Your swinging is more than song  
 You are the best thing that happened to me

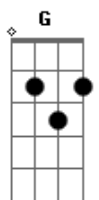

Please come back to me  
 Cause my world is sadder without you  
 But I wanna let you know  
 All the places you used to go  
 Becomes brighter  
 You are a big star  
 And I love you, I love you so

I feel glee when you smile
