

The Format - On Your Porch

```
Tom: Eb
(forma dos acordes no tom de C )
Capostraste na 3ª casa
Intro: D A D A D A E
I was on your porch, the smoke sank into my skin
So I came inside to be with you
And we talked all night about everything we could imagine
'Cause come the morning I'll be gone
And as our eyes start to close
I turn to you and I let you know
That I love you
(DADADAE)
Well my dad was sick and my mom she cared for him
Her love it nursed him back to life
              D
And me I ran I couldn't even look at him
              Α
For fear I'd have to say goodbye
And as I start to leave
He grabs me by the shoulder and he tells me
What's left to lose you've done enough
