

# The Four Freshmen - It Never Occurred To Me

tom:  
Intro: **F7** **Fm7** **Bb**

[Primeira Parte]

It never occurred to me  
That someday you might refer to me  
As someone you use to know  
Never dreamed it could happen  
That we'd drift apart  
And I'd be left with  
Just a memory in my heart

[Segunda Parte]

It never occurred to me  
That someday you might prefer to be  
In somebody else's arms  
Never thought I'd live to see  
The day that you'd pass me by

[Final]

It never occurred to me  
Til now  
( **Fm7** **Bb7** **Gm7** **C7** )  
( **Fm7** **Bb7** **Eb** )
