

The Fratellis - Country Boys And City Girls Intro

Tom: **A**

The rhythms quite hard to write just listen and you'll hear it....basically let the strum ring for a bit then cut it short by playing the other parts quickly

i know this isn't 100% but never mind its a start eh?

then, after the intro....when the (kind of) singin begins:

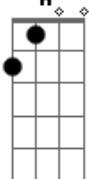

D U **D** U **D** **D**

please rate....
