

The Fratellis - Country Boys And City Girls Intro

Tom: A

The rhythms quite hard to write just listen and you'll hear it...basically let the strum ring for a bit then cut it short by playing the other parts quickly

i know this isn't 100% but never mind its a start eh?

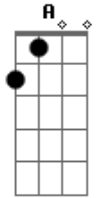

then, after the intro...when the (kind of) singin begins:

D U D U D D

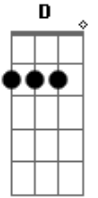

please rate...
A. Taylor
