Chorus (part 1)

Chorus (part 2)-back to intro

Leads into verse 2

One part later on- played in same style.

A#, **A**, **G#**, **G** (x2) Played in same way as intro
D#, **Dm**, **C#**, **Cm**

I'm not totally sure about the verses, as the lead is played loudly over the top. I'd following the bass if anyone tabs that.
