

The Fratellis - Everybody Knows You Cried Last Night

Tom: **C**

This is my second tab, Fratellis again. I suggest if your playing this alone you try guitar 1 and guitar 2 until you come up with something that sounds decent.

~~[Guitar 1]~~

[Verse One]

Whistle for the boys now don't be shy...

Give the boys a flash and they'll love you so
Give the girl some cash cause your mother said so...

And take em out to look at the queen...

[Bridge]

Lay yourself down by the side of the bed...

[Chorus]

Well, that's what you get..

Waiting in the queue oh whoopee doo

[Rinse and Repeat]

Everybody knows you cried last night

[Verse two same as the first i guess and the same for the bridge and chorus]

[Solo]

[Bridge]

[Chorus]

~~[Guitar 2]~~ (play these chords barred)

C
Whistle for the boys now don't be shy
Give us all a song and a reason why
Baby got the bones and a hand me down
Says her heart is black but her eyes are brown

F
Give the boys a flash and they'll love you so

C
Give the girl some cash cause your mother said so

E
And take em out to look at the queen
And any old girl who's in between

Am **Abm** **G** **Gbm**
Lay yourself down by the side of the bed
Am **Abm** **G** **Gbm**
Oh you naughty girl you know you tickle me red
Am **Abm** **G** **Gbm**
You look so dumb and you sound so twee
Am **Abm** **G** **Gbm**
And you can only wish that you was married to me

F **C²**
Well, that's what you get

F **C²**
Oh don't get upset

F **C²**
Ridiculous you

E **F**
Waiting in the queue oh whoopee doo
