

# The Fray - All At Once

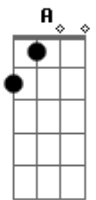

Tom: A

(intro)

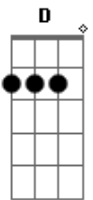

There are certain people you just keep coming back to  
 She is right in front of you  
 You begin to wonder could you find a better one  
 Compared to her now she's in question  
 And all at once the crowd begins to sing  
 Sometimes the hardest thing and the right thing are the same  
 Maybe you want her maybe you need her  
 Maybe you started to compare to some-one not there  
 Looking for the right one you line up the world to find  
 Where no questions cross your mind  
 But she won't keep on waiting for you without a doubt  
 Much longer for you to sort it out  
 And all at once the crowd begins to sing  
 Sometimes the hardest thing and the right thing are the same

Maybe you want her maybe you need her  
 Maybe you started to compare to some-one not there  
 Maybe you want it maybe you need it,  
 Maybe it's all you're running from,  
 Perfection will not come  
 And all at once the crowd begins to sing  
 Sometimes (sometimes)  
 We'd never know what's wrong without the pain  
 Sometimes the hardest thing and the right thing are the same  
 Maybe you want her maybe you need her  
 Maybe you started to compare to some-one not there  
 Maybe you want it maybe you need it,  
 Maybe it's all you're running from,  
 Perfection will not come  
 Oooh will never come  
 Maybe you want her maybe you need her  
 Maybe you had her maybe you lost her to another oh  
 To another
