

The Fray - Happiness

Tom: C

C G Em7
Happiness
C G
is just outside my window
C G Em7
Would it crash
C G
blowing 80-miles an hour?
C G Em7
Or is happiness
C G
a little more like knocking
C G Em7
On your door,
C G
and you just let it in?
C G Em7
C G
Happiness
C G
feels a lot like sorrow
C G Em7
Let it be,
C G
you can't make it come or go
C G Em7
But you are gone-
C G
not for good but for now
C G Em7
Gone for now
C G
feels a lot like gone for good
C G Em7
Happiness
C G
is a firecracker sitting on my headboard
C G Em7
Happiness
C G
was never mine to hold
C G Em7
Careful child,
C G
light the fuse and get away
C G Em7
'Cause happiness
C G

throws a shower of sparks
C G Em7
C G
C G Em7
Happiness
C G
damn near destroys you
C G Em7
Breaks your faith
C G
to pieces on the floor
C G Em7
So you tell yourself,
C G
that's probably enough for now
C G Em7
Happiness
C G
has a violent roar
C G Em7
C G x2
C G Em7
Happiness
C G
is like the old man told me
C G Em7
Look for it,
C G
but you'll never find it all
C G Em7
But let it go,
C G
live your life and leave it
C G Em7
Then one day,
C G
wake up and she'll be home
C G Em7
Home,
C G
home,
C G
home
C G Em7
home
C G
