Ritmo: ??????

Intro: G D Em D

Step one you say we need to talk
 He walks you say sit down it's just a talk
 He smiles politely back at you
 You stare politely right on through
 Some sort of window to your right
 As he goes left and you stay right
 Between the lines of fear and blame
 And you begin to wonder why you came

Refrão:

Where did I go wrong, I lost a friend
 Somewhere along in the bitterness
 And I would have stayed up with you all night
 Had I known how to save a life

Segundo Verso:

Let him know that you know best
 Cause after all you do know best
 Try to slip past his defense
 Without granting innocence
 Lay down a list of what is wrong
 The things you've told him all along
 And pray to God he hears you
 And pray to God he hears you

Refrão:

Where did I go wrong, I lost a friend
 Somewhere along in the bitterness
 And I would have stayed up with you all night
 Had I known how to save a life

Terceiro Verso: G D Em D

As he begins to raise his voice
 You lower yours and grant him one last choice
 Drive until you lose the road

Or break with the ones you've followed
 He will do one of two things
 He will admit to everything
 Or he'll say he's just not the same
 And you'll begin to wonder why you came

Refrão:

Where did I go wrong, I lost a friend
 Somewhere along in the bitterness
 And I would have stayed up with you all night
 Had I known how to save a life

 Had I known how to save a life
