

The Fray - Vienna

Tom: D
Intro: G A Bm A

Verso 1:

The day's last one-way ticket train pulls in
We smile for the casual closure capturing
There goes the downpour
Here goes my fare thee well

Refrão:

There's really no way to reach me
There's really no way to reach me
There's really no way to reach me
'Cause I'm already gone

Verso 2:

Only so ma-ny words that we can say
Spoken upon long-distance melody
This is my hello
This is my goodness

Refrão:

There's really no way to reach me

There's really no way to reach me
There's really no way to reach me
'Cause I'm already gone

Ponte:

Maybe in five or ten yours and mine will meet again
Straighten this whole thing out

Bm

Maybe then honesty need not be feared as a friend or an enemy

This is the distance
And this is my game face

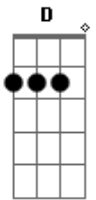

Refrão:

There's really no way to reach me
There's really no way to reach me
Is there any way to reach me
'Cause I'm already gone

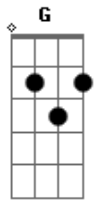

Outro:

So this is your maverick
This is Vienna
