

# The Friends In Folk - Coming Back

Tom: C

i'll be watching you coming back  
 lost the broken side  
 turn to back or right  
 - take it easy you'll coming back!

I still hold time  
 in my memories

and i remember when you need,  
 and your heart can't you see  
 when you hold'in my arm  
 to feel your breath in my body

i'll be watching you coming back

I'm sitting in my chair, watching you coming back

I'm saying: - come back!  
 I'm saying: - come back!  
 I'm saying: - come back!

to the walking on the sun

I'm saying: - come back!

I'm saying: - come back!  
 I'm saying: - come back!  
 i'll be watching you coming back

I still hold time  
 in my memories  
 my heart ...  
 screaming of pain  
 screaming of pain  
 screaming of pain

i'll be watching you coming back  
 ( C F C F )

i'll be watching you  
 it's cause about of you

i'll be watching you  
 it's cause about of you

i'll be watching you  
 it's cause about of you

i'll be watching you coming back
