Tom: C

Dm F Am G

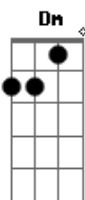

Dm F
The day you went away
An
You had to screw me over
G
I guess you didn't know
Dm F
all the stuff you left me with
Am
It's weigh too much to handle
G F
But I guess you don't care
Dm
You don't need to preach
F An
you don't have to love me, all the time G

Dm F
Whatever on earth possessed you
Am
to make this bold decision
G
I guess you don't need me
Dm F
While whispering those words
Am
I cried like a baby
G F
hoping you would care
Dm
You don't need to preach
F An
you don't have to love me, all the time G
Dm F Am G
You don't have to preach
