Tom: G

[Verse 1: Ziv Zaifman]

G D C  
I close my eyes and I can see  
G  
The world that's waiting up for me  
D C  
That I call my own  
G D C  
Through the dark, through the door  
G  
Through where no one's been before  
D C  
But it feels like home

[Pre-Chorus: Ziv Zaifman]

D Em  
They can say, they can say it all sounds crazy  
D C  
They can say, they can say I've lost my mind  
D Em  
I don't care, I don't care, so call me crazy  
D C  
We can live in a world that we design

[Chorus: Ziv Zaifman]

G  
'Cause every night I lie in bed  
D  
The brightest colors fill my head  
C Am  
A million dreams are keeping me awake  
G  
I think of what the world could be  
D  
A vision of the one I see  
C Am  
A million dreams is all it's gonna take  
G D C  
A million dreams for the world we're gonna make

[Verse 2: Ziv Zaifman]

G D C  
There's a house we can build  
G  
Every room inside is filled  
D C  
With things from far away  
G D C  
The special things I compile  
G  
Each one there to make you smile  
D C  
On a rainy day

[Pre-Chorus: Ziv Zaifman]

D Em  
They can say, they can say it all sounds crazy  
D C

They can say, they can say we've lost our minds  
D Em  
I don't care, I don't care if they call us crazy  
D C  
Runaway to a world that we design

[Chorus: Hugh Jackman]

G  
Every night I lie in bed  
D  
The brightest colors fill my head  
C Am  
A million dreams are keeping me awake  
G  
I think of what the world could be

A vision of the one I see  
C Am  
A million dreams is all it's gonna take  
G D C  
A million dreams for the world we're gonna make

[Bridge: Michelle Williams, with Hugh Jackman]

G D  
However big, however small  
C  
Let me be part of it all  
G D C  
Share your dreams with me  
G D C  
You may be right, you may be wrong  
G D  
But say that you'll bring me along  
C  
To the world you see  
G D C  
To the world I close my eyes to see  
G C  
I close my eyes to see
