

# The Growlers - Dope On a Rope

Tom: E

m  
 Dope in the wash, strangers in bed  
 Dead-end nights, make a heart beat half dead  
 In the mirror, striking a pose  
 Conjured up glamour in a school play rock show

Em G C G  
 Guess it doesn't last forever, just a feeling to remember  
 Em G Em G  
 Dope on a rope we hang, the cat walks the plank  
 C Em  
 Unless we turn around, and do it again

C Em  
 Generations change In a blink the fad's extinct  
 C  
 Find your lover or you'll flash the fame  
 D  
 Before you wake up from your dream

 Everything changes when  
 C G  
 When the last call lights shine  
 Em G C G  
 Seizing the heartbeat of our lovely reckless times

 Collect taxidermy fist as much is on your wrist  
 C G  
 New friends flood the list till you're sick  
 Em G  
 Trying to have a ball in a tanked up stall

C G  
 Numb when its from making sense of it all

 I guess it doesn't last forever
