

# The Heavy Horses - Still Like The Winter

tom:  
 Capotraste na 4ª casa  
 Intro: Am

[Primeira Parte]

Am G F Am  
 I woke to find you coughing  
 Like so many nights before  
 You just smiled at me through?the?sickness  
 And said you?couldn't suffer through more  
 Then you asked?me to give you mercy  
 As the tears rolled down my?face  
 And?you?whispered that you'd?miss me  
 And then?you left me alone in this place  
 ( F )

[Refrão]

C F C  
 I pleaded for forgiveness  
 As you slipped away into the light  
 C F  
 When the angels came to take you

C G F  
 And left me alone in the night  
 ( Am F Am F )  
 ( C G F C )  
 ( F Am )

[Segunda Parte]

Am G F Am  
 Then you lay there still like the winter  
 As your skin turned cold as snow  
 And I held you tight through the morning  
 And it was so hard to finally let go  
 ( F )

[Refrão]

C F C  
 I pleaded for forgiveness  
 As you slipped away into the light  
 C F  
 When the angels came to take you  
 And left me without your light  
 C G F  
 And left me without your light

[Final] C G F
